Well the good news is that Janet will be here on Friday so we will have a captive audience to brief her on the remaining issues. Maybe she can make some calls to OMB senior management when she gets back to DC.

See you all Monday.

Carl,

It was my understanding that we were pretty clear on the additional analysis OMB was requesting of us and we were looking to Janet for guidance on how we should proceed and if there is anything she is willing to push back on.

Thanks,

Claudia

I just spoke with Janet's office and they will move ahead to finalize this day/time. One change of plans -- Janet will not participate in this meeting, so it's up to Region 8 whether they want to Shaun to participate. Janet thought that this discussion with OMB should proceed without her and that we should try to narrow the issues that she will separately pursue with OMB management.

I'm hoping that Region 8 can still pull together a list of outstanding issues, along with an internal briefing paper, prior to the meeting. The agenda for the meeting can consist of the list of issues. Let me know if this works.
